- Better chance of coming back in a match after a slow start

(see additional information at the end of this package)

**10 minute late policy in effect - default if more than 10 minutes late.**

**As on qualifying days, a 5 minute warm-up**, will be played for each match. There will be '**no-ad**' scoring, with the receiver having choice of side on which to receive the serve.

# NextGen Format - OFSAA 2025

Two short sets played to 4 followed by a match tiebreak to 10

A **short set is played to four games** instead of six.

-A set is therefore won at 4-0, 4-1, 4-2, etc.

-We are still playing **no-ad scoring** at **deuce** That is, at 40-40 the next point wins the game. The receivers can choose which player receives the serve (regardless of whose turn it is). Mixed Doubles server must serve to member of the same sex

-At 3-3, a **5 point tie break is played**: i.e. first to 5 points wins, with 2 points clear. If it gets to 4-4, next point wins. Change ends when score adds up to 4.

Service Rotation in the 5 point tie-breaker will be as follows:

Player/Team A - serves first 2 points

Player/Team B - serves next 2 points

Player/Team A - serves next 2 points

Player/Team B - serves next 3 points

**NOTE: In a 5 point tie-breaker, you do not have to win by 2 points. 4-4, next point wins.**

-At one short set all, a **Match Tiebreak** is played.

-Match Tiebreak is played first one to 10 points, must win by 2 points. Switch ends every 6 points.

-Typical score of a Short Set match could be 4-3(2), 2-4, 10-6
